PERMANENT MISSION OF THE KINGDOM OF BHUTAN
TO THE UNITED NATIONS, NEW YORK

PMB/NY/PR/2026/

August 25, 2026

Dear Fellow Bhutanese in Canada,

It is with a full heart that I write to thank and congratulate you for rallying so generously in support of the construction of the 108 Janchub Chorten in Gelephu Mindfulness City. From every corner of Canada, you came together — and I wanted you to hear directly from me how deeply this has moved not only me, but all who serve our nation abroad.

A chorten is never simply a structure. It is a vessel for an enlightened mind, built to hold devotion, aspiration, and merit long after those who offered it are gone. In supporting 108 of them, you have helped lay the spiritual heart of His Majesty's vision for Gelephu — a place where the wisdom of our land meets the needs of the modern world. Your names may never be inscribed on stone, but your devotion is now folded permanently into that ground. It will echo from every chorten, through eons, in the silent way that merit always does.

What moves me most is what this reveals about you. Living so far from home, in a different climate and rhythm of life, it would be easy to let the thread to Bhutan thin with time. Instead, you have shown the opposite — that distance does not weaken devotion, it deepens it. Every contribution, whatever its size, carried the same sincerity: families setting something aside, children asking to give their own savings, communities organizing quickly and joyfully around a shared purpose. This is not just generosity. It is identity.

His Majesty has often reminded us that Bhutan's greatest strength is the unity of its people. What you have shown in Canada is living proof — that being Bhutanese was never about geography. It is about carrying your King, your country, and your heritage within you, wherever you stand. This overwhelming response is a mirror of exactly who you are: devoted, generous, and unshakably connected to home.

On behalf of the Embassy of the Kingdom of Bhutan to Canada, I thank you. You have honored your King, your country, and everyone who comes after us. Please know that your Embassy stands with you, always, in gratitude and pride.

Tashi Delek. May the merit of this act benefit all sentient beings.

Tenzin Rondel Wangchuk
Ambassador, Permanent Representative

Introduction

Immediately upon hearing the news of the GMC 108 Stupa project, the Bhutanese community in Canada was excited and moved to act. We promptly contacted the GMC authority regarding a proposed donation drive and requested approval to proceed. Approval was granted shortly thereafter, and the community moved quickly to organize its response.

Approval and collaboration

Immediately following approval from the GMC authority, the Bhutanese Association of British Columbia (BABC) collaborated with the Association of Bhutanese in Ontario (ABO) to jointly lead the initiative. A special steering committee of 10 members was formed, with equal representation from British Columbia and Ontario to plan, coordinate, and oversee the donation drive.

Working committee

The working committee comprised the following 10 members, drawn equally from the Bhutanese Association of British Columbia and the Association of Bhutanese in Ontario (ABO). Ten members, along with their Citizenship Identity (CID) numbers, are confirmed below.

1	Ugyen Samdrup	10705001888	BC
2	Deepjal Pradhan	10313000197	ON

10	Sangay Thinley	11705001762	BC

Embassy engagement

The committee formally informed the Royal Bhutanese Embassy to Canada, based in the New York, United States, of the donation drive. In response, the Embassy, chaired by His Excellency Ambassador Tenzin Rondel, hosted a meeting with the committee to discuss the initiative and formally extended the Embassy's support for the cause.

Fundraising summary

Metric	British Columbia	Ontario
Total raised	CAD \$25,858.00	CAD \$27,108.00
Total contributors	193 contributors	188 contributors
Non-Bhutanese contributors	3 contributors	3 contributors
Duration of donation drive	3 months	3 months
Total Amount in CAD raised in BC and ON is \$52,966.00		

Coupon system

Steering Committee introduced a coupon system to recognize and thank donors, consisting of two categories, as summarized below. Beyond encouraging participation, the coupons were designed to express gratitude and to serve as a lasting memento of each donor's contribution.

Category	Value (CAD)	Symbolism
Gold Coupon	\$1,080	Represents a symbolic contribution of \$10 toward each of the 108 stupas
Silver Coupon	\$108	Represents a symbolic contribution of \$1 toward each of the 108 stupas

Communication and updates to members

To ensure transparency throughout the donation drive, contributions were collected separately by the Association of Bhutanese in Ontario (ABO) and the Bhutanese Association of British Columbia (BABC). The donation lists were updated weekly on the ABO website (abontario.org) and shared through social

media platforms for public information and accountability. All major announcements were communicated through the ABO Media Coordinator's official social media channels. Furthermore, all major decisions related to the donation drive were made collectively through discussion and consensus among the committee members.

Incentives and sponsorship

To further encourage participation, the committee pledged an incentive prize in each coupon category. One iPhone 17 was pledged to a winner in the Gold Coupon category, generously sponsored by a Fercon Group based in Toronto. Similarly, one Apple Watch was pledged to a winner in the Silver Coupon category, generously sponsored by Pasang owner of Druk happy Sushi and momo, a Bhutanese restaurant in Vancouver.
